## Headteacher Comment

Thank you to everyone for participating in Mad Hair Day today and donating Easter Eggs and chocolate. These donations will be given to our parent council so they can make Easter themed chocolate hampers which will be used at their Easter Bingo event on Tuesday 19<sup>th</sup> March.

Over the course of the previous months we have had a number of applications for holidays. Please remember that holidays in term time are not permitted by the school and it will result in a Local Authority penalty notice at the cost of £60 currently per child, per parent. This doubles in cost if it is not paid in the first 21 days. With effect from September 2024 this will increase to £80 per child, per parent. If your child is out of school for a holiday the first step is to complete a holiday notification form. You may then be required to attend a meeting in school. If the holiday is taken then the local authority will send a penalty notice once the holiday has been completed. Please note that these can take months to come through. Children who miss work in that time will not have the opportunity to cover this when they return and this can impact heavily on their subsequent learning and achievement. Please ensure your child is in school every day.  
Many Thanks

### Value of the week!

Challenge: Can you demonstrate this week's school value together at home?

Respect: Due regard for the feelings, wishes or rights of others.

Have you used your manners?

- Have you considered the feelings of someone else?
- Have you listened carefully to someone when they were speaking?
- Did you follow an instruction from someone the first time?
- Did you introduce yourself to someone new? Did you shake hands or greet them with a smile?

We would love to see any photos of you showing this value at home so, we could share them in school!
