Headteacher Comment

This week the children have been immersed in stories, books and reading. We have enjoyed extra reading activities and a focus on some of our favourite authors. As part of Book Week we took part in World Book Day, dressing up as our favourite characters. The children and staff looked amazing! Many of our children also took part in a sponsored read raising lots of money for us to spend on new books for school. Thank you to everyone who took part! We tuned into some of the live events being held nationally for World Book Day and took part in a Reader's Theatre activity organised by Mr Fox. Reader's Theatre is a teaching strategy that exemplifies how guided oral reading instruction and repeated reading of texts can be used to support pupils to develop reading fluency. It concludes with a group performance of the text. The children were amazing and developed both reading fluency and confidence. Please continue to keep up with home reading with your child to help us develop a love of reading and give children chance to use their skills. Children should read at home for a minimum of 3x a week. Many Thanks
