Headteacher Comment

This week I spent some time with the Reception children who were taking part in a reading lesson. It was incredible to see how well the children were doing and the way that they engaged in their learning so fully. The enthusiasm of the teachers was infectious and every child made progress. Children focused intently on the tasks they were undertaking and showed excellent learning behaviours by making sure they were watching, listening and taking part. It was particularly enjoyable to watch them working with partners to support each other's reading and to see them using their phonics to help them read sentences. It was an absolute delight to be part of their learning. Well done, Reception!

Y6 children move into their last phase of revision ready for their SATs assessments. The tests take place **Mon 13th May – Thurs 16th May**. These are statutory tests that all Y6 children across the country will be participating in to check that they are at the expected standard by the time they leave primary education. We are only allowed to deliver the tests on the allocated day so it is essential that every child attends on time during test week. We will provide breakfast and support the children each morning so they are prepared, confident and have the best opportunity to perform well.

Many Thanks
Miss Edwards

WELL DONE TO THIS WEEKS ATTENDANCE WINNERS

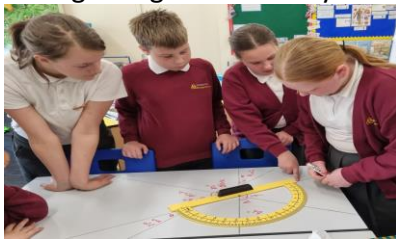

KS2 – 3NS

KS1 – 1KT

EYFS - NAM

Mrs Barrett's Maths group have been busy measuring angles this week. They used protractors to measure acute, obtuse and right angles accurately.

Last week Year 1 went on a trip to Norton Priory. They looked at toys from the past, the materials that they were made from and how they compare to toys now. They made a moving ladybird dial to help us find the bear which was from the amazon rainforest! Their favourite part was playing with toys from the past.

Earth Day 2024 Tuesday 22nd April

Value of the week!

Challenge: Can you demonstrate this week's school value together at home?

Honesty: To speak or act truthfully.

- Did you tell the truth about something you saw?
- Did you explain what happened when something went wrong?
- When you made a mistake did you admit it and apologise?
 - Did you accept a consequence for a mistake?
 - Did you apologise for something that was your fault?
 - Did you admit to taking the last biscuit?

Honesty is the best policy

We would love to see any photos of you showing this value at home so, we could share them in school!

IMPORTANT

Spring attendance giveaway!

Each week, all children from Reception to Year 6 with 100% attendance will be entered into the prize draw and will win a £10 voucher.

THIS WEEK'S WINNER IS:
ALBERT HAGUE-KNOWLES

CONGRATULATIONS!
