Summer 1

April 2024

Year 3!

A Big Welcome back from Miss Palfrey, Mr Ford, Miss Smith and Mr Loney. We hope you had a lovely break and are ready for our final full term of year 3.

In our maths lessons, we will continue to look at mass and capacity before moving on to our next fractions topic.

In history, we will be finding out what happened after the Romans left Britain and how the Saxons and Scots

changed things when they arrived in Britain.

For science, we will be studying plants by identifying and describing the different parts of flowering plants; exploring the

way in which water is transported within plants; and looking at the life cycle of plants.

In our PE lessons this term, we will be focusing on orienteering and striking and fielding games.

Please ensure your child has their full PE kit on a Tuesday and Thursday (3LP) and a Monday and Thursday (3NS).

Please continue to ensure that you listen to your child read and can see what they are reading so you can offer help and support, where necessary. Remember, the more they read, the more they learn. We want to make sure our pupils are fluent and confident readers by the time they leave us in year 6.

Things to remember

Reading books and planners every day

PE kit: - burgundy shorts, white t shirt and black pumps/trainers

Spelling Test every Friday.

Homework: given out on a Monday and due in on a Friday.
